### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The rejection of claim under 103 as stated in page 3 of paper dated 9/10/2008 should have stated that the compound shown on page 3 was taught by both Atwell and Denny. Further that Atwell teaches the equivalence of the meta and para substituents. However, the rejection is moot since applicant's arguments of paper dated 10/28/2008 overcome the rejection. Claims 12-14,16, 19-23, 26 and 29-31 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to D. Margaret Seaman whose telephone number is 571-272-0694. The examiner can normally be reached on 730am-4pm, Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Janet Andres can be reached on 571-272-0867. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
